SUMMER 2022

Fine Arts Club Handbook

Welcome to the Club!

Welcome to our Fine Arts Club Program - where imagination and creativity lead the way! Our Fine Arts Club offers dance, yoga, fitness, music, art and drama classes exclusively to children 2.5-4 years of age. We look forward to moving and grooving with your child while educating and inspiring them through the fine arts. All activities are developmentally appropriate for this age group and allow children to develop social skills, body awareness, self-confidence and routine. We are not a daycare or preschool, but rather a specialty fine arts program building cognitive, social, and emotional awareness. We are so excited for you and your child.

Communication

By now you have probably noticed that communication is important to us here. It is our promise to respond to all inquiries within 48 hours. Our admin team can be contacted at office@premieredanceproject.com. Our teaching team can be contacted at katie@premieredanceproject.com.

Our primary means of communication is email. You will receive monthly updates and important information via email, so please ensure you have provided the studio with an up-to-date email address that is regularly checked. In the event that you do not receive them, we kindly ask you to notify our office at your earliest convenience.

Attire, Snack & Materials Policy

Please label all items and belongings brought to the studio with your child's name and place them in a cubby.

Children need to wear active, moveable attire that will allow them to stretch & participate as needed. Jeans are not permitted. Students should bring appropriate outdoor shoes. Students will be asked to remove shoes before entering the studio. We ask that you please send your child with an extra set of clothes every class – spills and accidents do happen.

Children will be taken to the bathroom for routine potty breaks. If your child is not fully potty trained, please leave an extra pull-up in your child's backpack. We kindly ask that all parents take their child to the bathroom before class to set them up for success.

Please pack a nut-free snack(s) and a water bottle for your child to enjoy during snack time. No sticky drinks will be permitted for snack time.

Drop Off & Pick Up

Please stay with your child until the teacher opens the door & class begins. Premiere Dance Project is not responsible for children before/after their class and we kindly ask you to be diligent for pick up and drop off time. Please call our office if you are running late (515-987-5678). If someone else will be picking your child up, please notify your child's teacher at drop-off. A parent must be available via cell phone in case we need to have your child picked up for any reason.

Late Pick-Up Policy: If you are more than 5 minutes late in picking up your child, a dollar per minute will be charged.

Photos, Waivers & Videos

We will be taking pictures throughout the year to celebrate your child's learning and growth. Premiere Dance Project holds the right to take & post videos and photos throughout the year for marketing purposes. Photos may be used on social media, and in house printed materials. If you do not wish for your child to be photographed or included in videos, please notify us via email.

Integration Policy Summer 2022

Our goal is to ensure your child feels safe, confident and inspired and we have outlined our integration policy below.

First class – Parents are invited to attend the first 15-20 minutes of class. If your child has siblings, they are more than welcome to attend as well. Children feed off their parent's energy – when the parent is relaxed, the child is more likely to be relaxed. Teachers will lead a short welcome orientation to connect with the parents and collect all personal profiles. This is your opportunity to get to know the teachers and connect with them. After the orientation is complete, parents will be kindly asked to leave and children will explore and interact with one another. The goal is to set your child up for success and build trust and confidence.

Second class – Parents are welcome to come in the room for the first 5 minutes to help their child settle. After 5 minutes we kindly ask that all parents say goodbye to their child and leave the studio. This will allow us to build trust with your child.

Third class – Parents say goodbye in the lobby area and teachers bring the students into the room. If your child cries, it is best to leave them with us so we can redirect and build rapport with them. If your child is still unsettled after 30 minutes, we will call you and provide you with an update. At this time, we can come up with a suitable plan.

TIPS FOR DROP-OFF

- 1) Explain that you are going away and that you will come back
- 2) Assure them that you love them and that they will have fun
- 3) Give them a hug, say goodbye and proceed to leave – short goodbyes are best

Learning Objectives & Themes

Students will enjoy a different theme each week providing an academic curriculum to assist with their learning. The goal of the program is to enhance your child's overall development including gross and fine motor skills and improve social, cognitive and emotional awareness. We use an integrated approach to learning and incorporate theme-based lesson plans so students get to feel it in their bodies so they can remember it in their minds. When discipline is required, our teachers use a positive redirection approach and encourage the children to make good choices. When children choose not to participate in the planned activities, they are instructed to observe the class so they are not a distraction to the other students and can still learn in the process. If there is a teacher recommendation that your child is not ready for our program, we will recommend that you join us at a later date and will provide you with a credit.

Session Programs & Celebration

Summer Session – August 25th from 10:30-11:30a

Parents are invited to come and watch our program at the end of each session, followed by a wrap up party with snacks. The celebration program and party will occur in the last hour of their scheduled class.

Teaching Team

We are thrilled to have such well-rounded and experienced teachers leading this program that are passionate about children and will inspire them through the fine arts.
